

the TIGER.

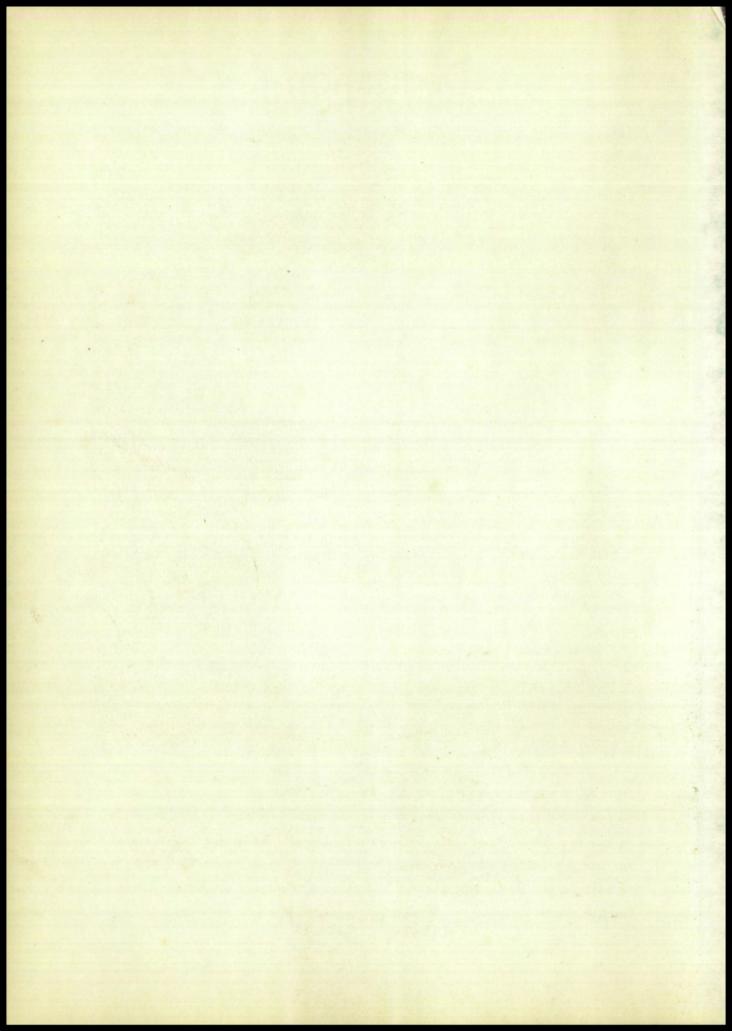

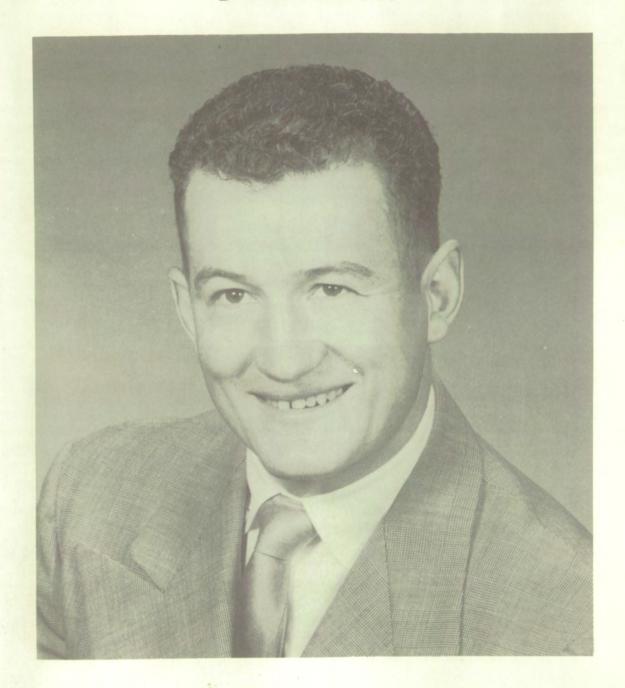

Annual Royalty

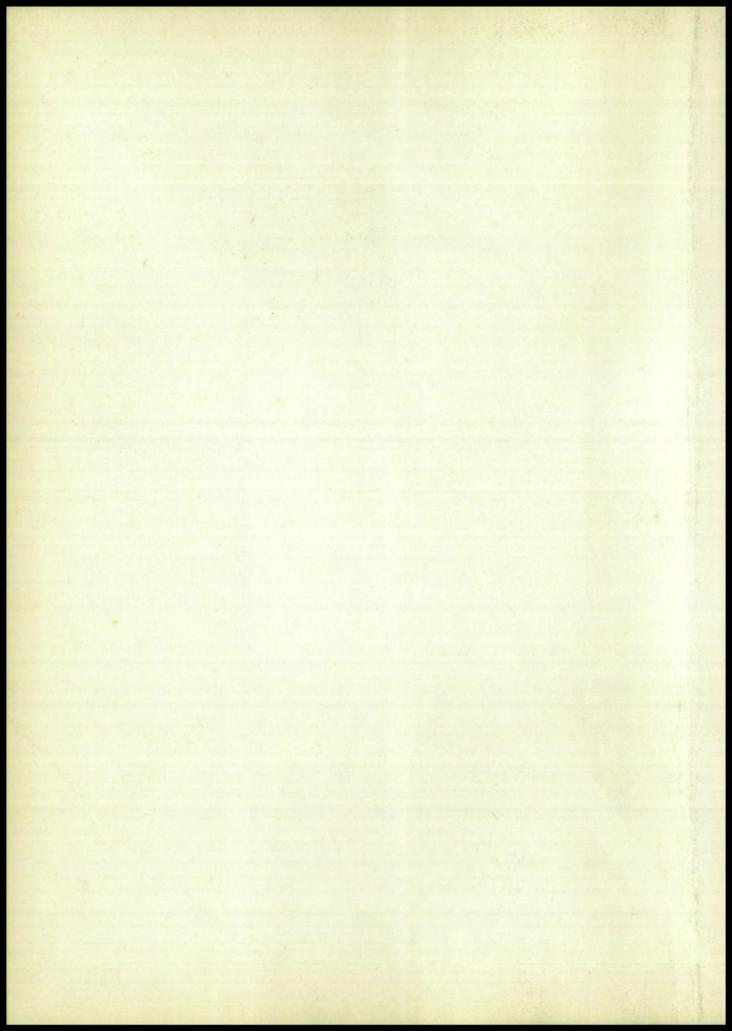

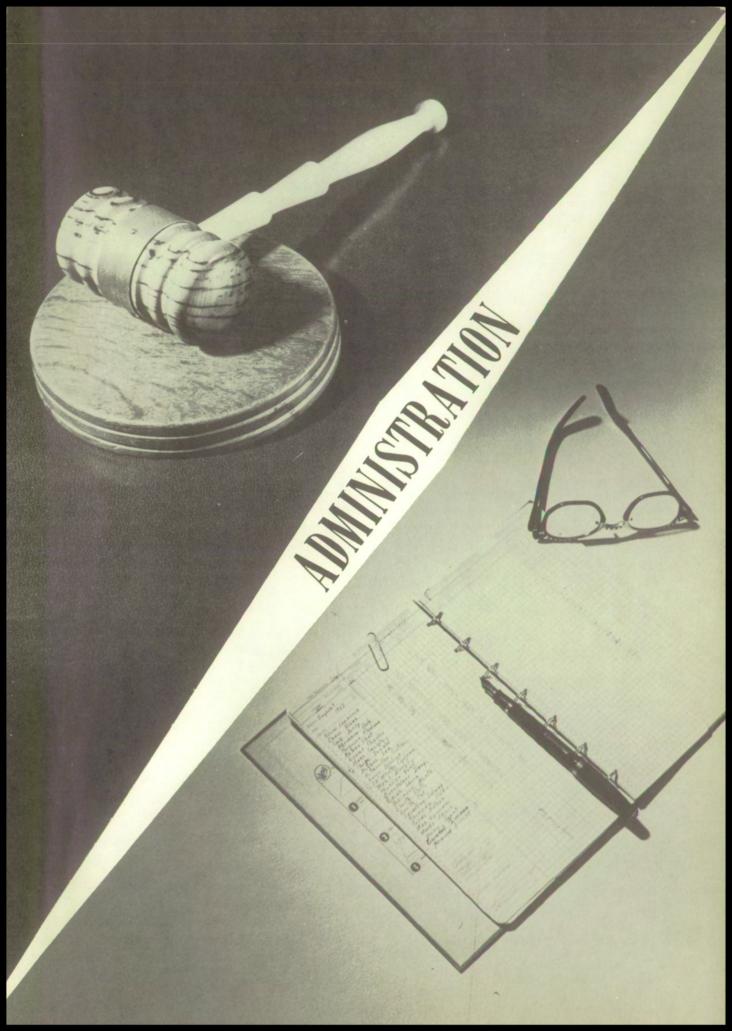

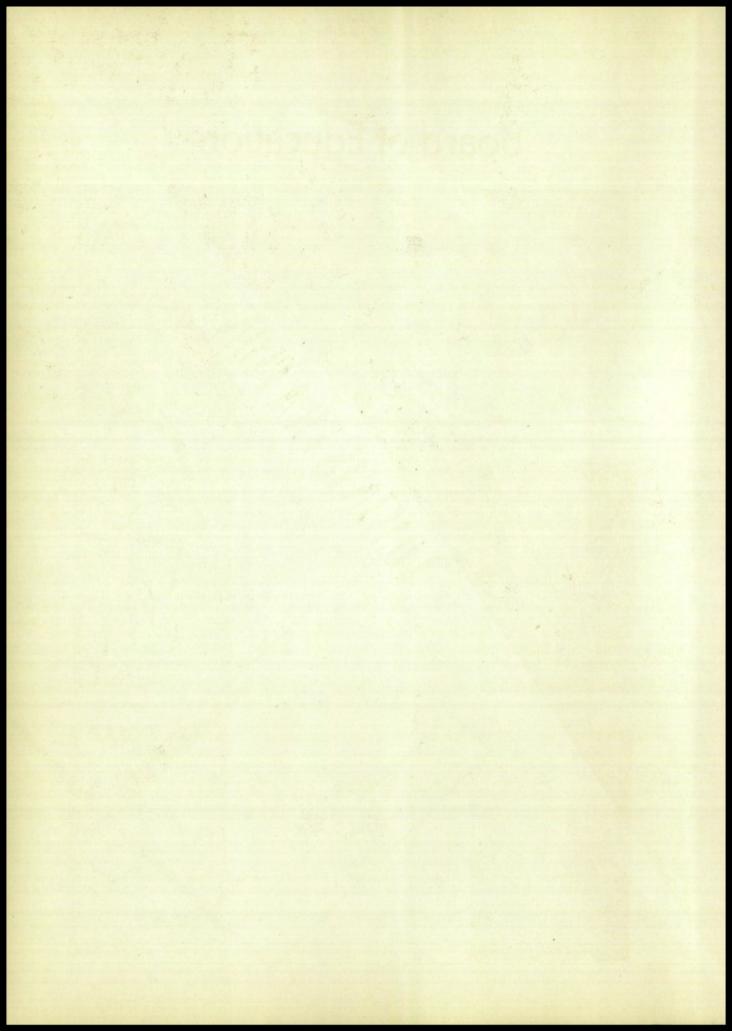

Dedication

We, the senior class, dedicate this, the 1956 edition of the Tiger, to Coach Melvin Williams. Although he has been here only two short years, he has brought our athletic program from near obscurity into the limelight. But our gratitude goes even deeper than that. He has been a true friend to each of us and is respected by everyone. Therefore, we dedicate this Annual to Mr. Williams as an everlasting expression of gratitude.

The Tiger Basketball Team of Seneca Public High School made the very impressive record of 22 wins, 2 losses this season.

After taking first place in the County Tournament, the team entered the District Tournament undefeated. The first loss occurred in the final game of the District Tournament, with Morrill taking first place, Seneca Public second place.

Both the first and second place teams from the District Tournament went on to enter the Regional Tournament, in which Seneca Public took first place. This victory entitled the team to go on to the Class BB State Tournament.

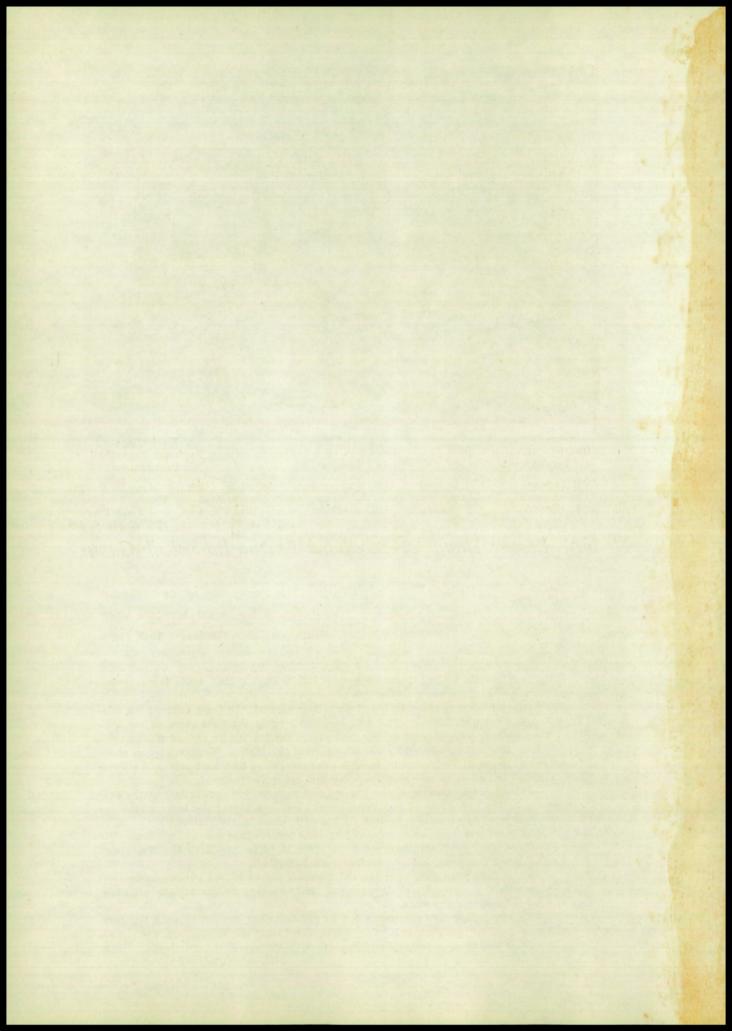

At the State Tournament, the Tiger Team suffered the second loss of the season, losing in the first game of the Tournament; this loss placed the team in the enviable position of being in a four-way tie for fifth place in the state.

The team was very well-supported by both the townspeople and students. We are convinced that everyone involved is justified in being proud of the impressive record achieved this year, both in football and basketball.

As this final page goes to press, the Baseball season is just getting underway. We are confident that the Baseball team will strive to keep up the athletic tradition so well-established for the year.

This extra page was necessary due to the fact that we had to send the completed materials to the book publisher before the basketball season was completed. . . We deem this page necessary and important to the completed yearbook.
